

21st January 2010 Immediate

Connahs Quay Wetland open day event Saturday 30th January 2010

10 am -12 pm

Groundwork and QuayCat (Connah's Quay Community Action Team) invite the local community to an open day to find out what is planned for Connah's Quay Wetlands on Saturday 30th January 2010 between 10 am – 12 pm at the Youth Club next to Connah's Quay High School.

The Wetlands, which are behind Ffordd Llanarth shopping precinct (the old Kwik-Save site), are to be developed to improve pedestrian access, increase biodiversity on the site and reduce fly tipping.

The open day will be a drop in event with free drinks and food available. There will be a wildlife talk from a local Ecologist and we would welcome contributions from local people about local wildlife. Everyone is welcome and we hope the community will come along to find out what is going on.

For more information contact Alison Bedford at Groundwork on 01978 757524 or Lisa Fearn at QuayCat on 07971832885.

Note to Editor

Groundwork in North Wales is part of a federation of over 40 Groundwork Trusts in Wales, Northern Ireland and England. Each Trust is both a charity and a company limited by guarantee.

Groundwork's mission is to enable all citizens, whatever their backgrounds and circumstances, to improve the quality of their own lives, through engaging them in physical environmental activities and community dialogue. The essence of the Groundwork approach is local action, working in communities, with public, private and voluntary sector partners, to achieve practical improvements.

Groundwork in North Wales receives funding from Wrexham County Borough Council, Flintshire County Council, the Welsh Assembly Government and other public and private partners.
