

**Groundwork wins BS8555 Award for the 3<sup>rd</sup> year running**

At Groundwork in North Wales we are committed to reducing our impact on the environment and we are very pleased to announce that for the 3<sup>rd</sup> year running we have been awarded the BS8555 mark for Environmental Management Systems. Groundwork is an environmental organisation specialising in environmental regeneration, working with partners in local communities, businesses and the public sector. We are aware that all our activities have an environmental impact, and are committed to waste reduction, reusing, recycling, saving energy, responsible driving and continually improving our environmental performance.

Vanessa Griffiths, Executive Director said 'This award for the 3<sup>rd</sup> year running clearly illustrates our commitment to maintaining a high environmental standard. Our teams have worked very hard to implement and maintain Environmental Management Systems and I am delighted with this achievement'

**Note to Editor**

Groundwork in North Wales is part of a federation of over 40 Groundwork Trusts in Wales, Northern Ireland and England. Each Trust is both a charity and a company limited by guarantee.

Groundwork's mission is to enable all citizens, whatever their backgrounds and circumstances, to improve the quality of their own lives, through engaging them in physical environmental activities and community dialogue. The essence of the Groundwork approach is local action, working in communities, with public, private and voluntary sector partners, to achieve practical improvements.

Groundwork in North Wales receives funding from Local Authorities, the Welsh Assembly Government and other public and private partners.
